

## The World Is My Playground... And You're Invited

At One World International School, the most important thing I learn is to be myself.

I stand out, and I learn to be outstanding. Whenever I'm in the classroom learning through my curriculum enrichment activities, my school constantly engages me and helps me discover my hidden talents

What I learn at One World makes me a truly complete person. I'm getting ready to shine on the world stage. Will you shine with me?  
Welcome to One World International School.
